Ravioli (a delicate pillow puff)

"The Perfect Ravioli"

CAESAR'S conquers the seemingly impossible task of combining light and tender, assorted-flavored pastas with an endless variety of succulent cheeses, meats, seafood and vegetable fillings, creating the "perfect ravioli"—a perfect pasta to filling ratio.* Available raw or pre-cooked, round or square and in large or jumbo sizes, CAESAR'S Ravioli are I.Q.E. at the peak of freshness using only the highest quality ingredients.

* The perfect ravioli has the proper proportions of pasta and filling, allowing the palate to enjoy the pleasurable combination of pasta and filling simultaneously.

Lasagna

"CAESAR'S Brings Richness to this Classic Italian Favorite"

Made with durum semolina flour and cooked "al dente" to perfection, CAESAR'S Lasagna is generously filled with our smooth and creamy, old-fashioned style ricotta cheese and seasoned to perfection with our very own special blend of herbs and spices. Our six-layer, classic style Lasagna comes in assorted varieties and is smothered with our fresh-tasting, delicious tomato sauce or homestyle meat sauce. Also, try our favorite light and zesty Vegetable Lasagna in a creamy parmesan sauce, layered with a variety of five vegetables topped with mozzarella cheese and a special cheese and breadcrumb mixture.

Meatballs

"A Perfect Blend of Spices and Seasonings"

Our authentic Italian recipe has a perfect blend of spices and seasonings broiled to perfection—providing a unique flavor for all to enjoy! CAESAR'S Meatballs can be served as an appetizer, sandwich or with your favorite pasta dish. Available raw or pre-cooked in consistent portion sizes: .5 oz., 1 oz., 1.5 oz. and 2 oz.

Stuffed Shells

"An Authentic Italian Favorite"

CAESAR'S Shells are filled to capacity with our smooth and creamy, old-fashioned style ricotta cheese and seasoned to perfection with our very own special blend of herbs and spices. Usually served at buffets, parties and weddings, CAESAR'S Stuffed Shells satisfy the palate with true, genuine Italian taste from the Old World, once again achieving a perfect filling to pasta ratio.

Tortellini

"A Small Twist Taking the Shape of Venus' Navel"

Today's Tortellini has become the gourmet of stuffed pasta, dating back to the 17th century in Northern Italy. CAESAR'S Tortellini offers a winning combination of light and tender assorted flavored pastas and an endless variety of savory fillings such as cheeses, meats or vegetables.

Eggplant Cutlets

"Buono Appetito!"

CAESAR'S uses only tender, farm-fresh eggplants selected at the peak of ripeness. They are then peeled, sliced, breaded or battered and deep-fried in vegetable oil and I.Q.F. for multiple uses.

Agnolotti • Ravioletti • Tortelloni

"The Proof of the Pasta is in the Taste"

These uniquely shaped, European pasta delights add elegance to any menu. Available in a variety of pasta flavors and filled with succulent cheeses, meats or vegetables, these pre-cooked, bite-size pastas are both affordable and nutritional as well as delicious and fanciful.

Gnocchi (pronounced "knee-o-key")

"Little Dumplings Made with Potatoes or Ricotta Cheese"

Potato Gnocchi is a typical, everyday dish for Italians in Rome and Southern Italy, whereas Ricotta Gnocchi is most popular in the northern region of Italy. Our stringent quality control and unrelenting selectiveness ensure that you receive a product of consistent quality. Every Gnocchi must have the correct curl in the middle and deep grooves along the outside fold that allow each Gnocchi to hold any type of sauce. Our Potato Gnocchi has the taste of a whole potato in every bite, if you can only chew slowly! Old World Italian folklore has it that once eaten, Gnocchi will leave you with a beatific smile on your face!

Cavatelli

"A Short, Curled Noodle"

CAESAR'S Cavatelli is manufactured in the traditional, authentic Italian version—a narrow, ripple-surfaced pasta shell, as compared to the American version, which is larger and not as well shaped.

Pasta Sheets

"Made from the Finest of Flours and Cooked Al Dente to Perfection"

Each pasta sheet is packed individually with a plastic liner for easy separation. For your convenience, CAESAR'S Pasta Sheets fit both half and full-size steam table pans.

Cannelloni

Cannelloni (pronounced "kan-eh-LOH-nee")
Boiled squares of pasta, rolled into tubes,
then stuffed with various meat fillings
and baked with a sauce.

Whether it be lean ground beef or Italian style sausage cannelloni, this hearty meal is sure to satisfy the hungriest meat lover.

Cannelloni, made with fresh meats and cheese, whole eggs, spinach, and just the right blend of herbs and spices.

*"Caesar's makes the pasta,
you get the compliments"*

Manicotti

"A Traditional Italian Favorite—Delizioso!"

A favorite in the classic Italian home is now available for you to serve in just a few minutes. Our Manicotti pasta is made from the finest of flours and cooked "al dente" to perfection. These tender blankets of pre-cooked pastas are filled and rolled with our smooth and creamy, old-fashioned style ricotta cheese, which is then seasoned to perfection with our very own special blend of herbs and spices that satisfy the palate. CAESAR'S also exemplifies its unique recipe in the making of our Manicotti w/Crepes, ever so light and tender, so smooth and delicate, in keeping with the European tradition.

Also, try our authentic Cannelloni Florentine, pasta with a succulent meat and spinach filling. When served in combination with Manicotti, this unique dish satisfies and delights both the cheese and meat lover!

CAESAR'S Pasta has been voted "America's Best 100" for food service excellence and given the "Award of Excellence" for their pasta specialties by the American Tasting Institute.
